

1029 - Single Wine Tote

- imprint area for screen print
- Seam /Bias Path / folding material
- "safe line" for any text or important graphic (4cp)
- cut line
- bleed line for 4cp backgrounds

This template accomodates all our regular Neoprene Single wine totes, as well as 4CP and Duplex.

When using duplex please include two versions, one marked for exterior print, one marked for interior print.

- This is my exterior duplex file
- This is my interior duplex file
