Sublimated Neck Bluff

Face Masks are SO last season. New weather means new looks, and we gotta tell you, these new Sublimated Neck Bluffs are IT for this time of year! Super comfortable, lightweight, and extremely breathable, these full-bleed imprint Neck Bluffs will become your newest fashion statement. You won't have to sacrifice quality over design with these! Besides keeping you safe from germs, these will become your newest cold-weather best friends. Face protection that doubles as a fashion accessory, neck warmer, and able to be fully imprinted?! Well, like we said, we ain't bluffin'.

These imported neck bluffs are made from a seamless polyester microfiber for optimal breathability. They are soft, durable, and wind-resistant! Even better? These are designed for just the right amount of comfort and coverage combined. There are no elastic straps that you have to wear over your ears!
