

# 1417-Tech Taco

\* Please read Special note

- imprint area for screen print
- Seam /Bias Path / folding material
- "safe line" for any text or important graphic (4cp)
- cut line
- bleed line for 4cp backgrounds

This template accomodates all of our screen printed tech tacos, as well as 4cp & duplex.

When using duplex please include two versions, one marked for exterior print, one marked for interior print.

- This is my exterior duplex file
- This is my interior duplex file

\* This Dot on the template indicates the position of the white snap. Please note that any portion of your design behind the snap will be covered.
